Tours to Cusco 3 Days 2 Nights Basic Vacation Package

<https://www.fertur-travel.com/es/cusco-tours/tour-basico-a-cusco-3-dias-2-noches/>

This vacation package offers the highlights for Cusco Tours of 3 days and 2 nights. You will know the most important archaeological and historical sites in and around the Inca capital, and also, a full day excursion to explore Machu Picchu, the ruins of the Pachacutec Inca citadel, on top of a mountain top in the jungle.

Undoubtedly the best Tour to Cusco from Lima, for the visitor with little time available and at the most economical price.

It includes:

- Transportation from and to the airport
- Two nights at the hotel of your choice
- Certified tourist guide
- City tour of Cusco
- Orient Express Expedition Train
- Guided tour of Machu Picchu
- Entrances to archaeological and historical sites

Day 1 - Lima / Tours Cusco City (Friday September 11)

Transfer to the chosen hotel in Cusco. In the afternoon we will begin our tour of the city to visit archaeological and religious attractions such as the Koricancha Palace or Temple of the Sun and the Convent of Santo Domingo, highlights the impressive engineering used in its construction, the Cathedral - Colonial religious monument of extraordinary artistic value . We will also visit the 4 ruins surrounding the city of Cusco as Sacsayhuaman.

The impressive fortress of monumental stones and excellent architecture is located 3 km from the city. It is famous for its huge carved stones, some of which are 9 m / 30 feet high and weigh more than 350 tons. This is where the "Inti Raymi" or "Fiesta del Sol", Qenqo - ceremonial and ritual center, an amphitheater where sacrifices were made in honor of the Sun, the Moon and the Stars, takes place annually in the month of June.

Puca-Pucara: Former tambo or lookout point along the roads of the Incay Tambomachay. - 7 Km. From the city of Cusco, ceremonial center of water cult, traditionally known as the place of water.

Day 2 - Cusco / Machu Picchu / Cusco (Saturday September 12)

Full day excursion to the archaeological complex of Machu Picchu located in the sub-tropical zone of Cusco or jungle brow at an altitude of 2,350 m.s. Very early (05:30 hrs.) Transfer from your hotel to the train station, for a trip for 3½ hrs. until arriving at the town of Aguas Calientes. We will take the bus to the archaeological zone of Machu Picchu, the journey takes 20 min. Approx. Offering an impressive landscape view of the Urubamba River, as well as gigantic mountains that surround Machu Picchu.

Upon reaching the beautiful Inca citadel, we will visit its squares, temples, platforms, ceremonial precincts and its royal palace. We will also appreciate the famous Inti Watana or solar clock and an unparalleled succession of natural water springs carved in rock. After a delicious buffet lunch we will take the bus to Aguas Calientes where we will board the return train to the city of Cusco.

Day 3 - Cusco / Lima (Sunday September 13)

Transfer from the hotel to the airport to board the return flight to Lima

The program includes:

Transfer Airport / Hotel / Airport

City Tour + Ruins

Exc. Macchu Picchu + Entrance (See Train options)

02 Nights accommodation + Breakfast

01 Lunch at Machu Picchu Sanctuary Lodge

ICA: Huacachina Oasis tour

Located five hours south of Lima, the desert oasis Huacachina is home to an extraordinary adventure tour called the dune buggy and sandboarding tour. This tour is both thrilling and jaw-dropping, transporting you deep into the desert to see the huge sand dunes on the coast. These ancient mountains of sand are beautiful and surreal. There are two good hotels.

PISCO: Reserva Nacional de Paracas

The Paracas National Reserve (RNP) is one of the two Natural Protected Areas (ANP) that preserves representative samples of the country's marine-coastal ecosystems, giving protection to various species of flora and fauna that live in that area. In this fascinating marine area live animals such as sea lions, Humboldt penguins, dolphins, flamingos and others. It is located 250 km south of Lima (3 hours by bus).

NAZCA: Líneas de Nazca tour

The Nazca Lines are located in the Pampas de Jumaná, Ica region, to 500 km south of Lima at about 600 m altitude, the name "Nazca" comes from the ancient and enigmatic pre-Inca culture. The Nazca Lines, also known in the scientific world as "geoglyphs", are located in the valleys of Palpa and Nazca, this enormous expanse of desert pampas exposes on its sands enormous geometric figures that in perfect harmony compose drawings of animals, plants, objects, human beings and gods. There are local flights over the desert and its geoglyphs
